International exercise of Civil Protection “ CODE 3 ” 2010

The Pregnana Soccorso Onlus association, the Civil Protection, Humanitarian Aids and Croce di Sant'Andrea Onlus, First Aid with ambulance – Civil Protection and GRUPPO CINOFILO, are pleased to invite you to the 2010 edition of their international drill of Civil Protection.

This drill will be held on the 21st, 22nd, 23rd May 2010 at Pregnana Milanese, Italy. In these days a base camp will be set up in Pregnana Milanese town where the participating associations will be gathered with the possibility of setting up a campsite or if requested previously of using the kitchen camp or common tents.

During this period simulations will be held day and night recreating aid operations in the reality of Milan and in the outskirts.

We will organize drills for every type of specialization and make sure that the different associations and the volunteers coming from different countries will work in a cooperating atmosphere.

To each association will be asked to actively participate to the aids and to provide human resources that will be use as injured people in the different scenes.

We are trying to organize a simulation in the tube of Milan; for this drill we were asked by ATM Company (Milan Public Transport) to have some people in civil clothes, so we ask you to remember to your volunteers to take with them the required clothes.

Sure to see you at the campsite and always available for further informations, we offer you kindly regards and we wish you a peaceful 2010.
